

HOME SWEET HOME HONEY COMPETITION WINNER ANNOUNCED

14 JUNE 2022

Thanks to all the honey enthusiasts who jumped over to Instagram to take part in our Home Sweet Home honey giveaway competition.

Congratulations to @overnightculture (Nural) who was randomly selected as the lucky winner of the competition

When we contacted Nural, she said she was so excited to win, saying that she always thought all honey tasted the same until she tried some Leatherwood from Tasmania and realised just how different our honeys are.

Having many friends and family with a sweet tooth, Nural said she will have lots of people to share the 40 jars with, including her Dad who she claims is the biggest honey lover she knows!

Thanks to the following honey producers from across Australia for donating their delicious honey and showing the variety of yummy flavours available to us!

New South Wales
